UI/UX Design Project Plan – visas.com.au

Overview

This project covers UI/UX design for visas.com.au, a two-sided platform connecting visa applicants with professionals. The design includes desktop and mobile versions for three types of users: clients, business users, and admins. The plan spans 30 days with a total of 46 screens and a budget under $500.

Budget Summary

Milestone	Duration	Screens	Budget
Milestone 1	12 Days	15	$200
Milestone 2	9 Days	15	$150
Milestone 3	9 Days	16	$150
Total	30 Days	46	$500

✅ Milestone 1: Foundation & Retail User Experience (15 Screens)

Duration: Day 1–12
Budget Allocation: $200

Scope:

- • Landing Page (Desktop + Mobile)
- • Phone Verification Flow (3 screens)
- • Retail User Dashboard (6 screens)
- • Proposal Comparison Page
- • Admin – User Management
- • Admin – Job Listings
- • Language Toggle (component)

Deliverables:

- • Low-fidelity wireframes for approval
- • High-fidelity UI mockups in Figma or Adobe XD
- • Mobile-responsive design

✅ Milestone 2: Business User Experience & Admin (15 Screens)

Duration: Day 12–21
Budget Allocation: $150

Scope:

- • Business Dashboard (Overview + Subscription)
- • Browse Jobs
- • My Proposals
- • Leads Unlocked
- • Billing Page
- • Submit Proposal (Form/Modal)
- • Payment Modal
- • Success Confirmation Modal
- • Admin – Leads Tracking
- • Admin – Revenue Overview
- • Mobile Versions of above

Deliverables:

- • Desktop and mobile high-fidelity mockups
- • Reusable components (e.g., proposal cards, modals)
- • Consistency check with Milestone 1

✅ Milestone 3: Finishing Touches & Quality Assurance (16 Screens)

Duration: Day 21–30
Budget Allocation: $150

Scope:

- • Remaining Mobile Versions
- • UI Design System (Typography, Color Palette, Buttons, Forms)
- • Clickable Prototype + Final QA Review

Deliverables:

- • Final export of all screens (PNG + editable source)
- • Clickable prototype (Figma/Adobe XD)
- • Design hand-off notes for development
- • Bonus: Logo and branding refinements if requested

🧩 Tools & Communication
- • Design Tools: Figma / Adobe XD (based on client preference)
- • Communication: Slack / Email / Trello board (for task tracking)
- • Client Check-ins: Every 3–4 days via Zoom or report
